MARYVILLE TEAM READY FOR TARKIO

TO DECIDE CHAMPIONSHIP OF FOURTH SUB-DISTRICT

BIG CROWD IS EXPECTED

Game Will Be Played on College Field and Will Be Called at 2:30 o'Clock

The Maryville High School football machine is in tip-top shape for its championship battle with the Tarkio gridders on the College field at 2:30 o'clock tomorrow afternoon.

This game decides the championship of the fourth sub-district. The winner of the Maryville-Tarkio game will play the winner of the Excelsior Springs-Smithville game. The latter game is to be played tomorrow and the winners tomorrow will play Saturday. The place for this game has not been selected.

The winner of Saturday's game will play the winner of the Princeton-Maysville game for the championship of Northwest Missouri. This champion ship game will be played Thanksgiving.

The Maryville line-up tomorrow will probably be the same as in the Savannah game. Homer Ogden will undoubtedly be out of the line-up tomorrow.

Early in the season, Tarkio defeated Maryville 14 to 12, but this was not a conference game. The contest tomorrow promises to be one of the fastest football games ever played in Maryville and arrangements are being made to care for a record-breaking crowd.

T. A. Butler of Kansas City will referee the game. Warren Giles of St. Joseph will be the umpire and L. C. Chatham of St. Joseph will officiate as head linesman.

Westminster Coach Lauds College Backs

"Maryville has the hardest charging backfield we have encountered this season," says Coach Pixlee of Westminster College football eleven on his return home Saturday morning at Fulton, according to the Fulton Daily Sun. "They simply charged us off our feet in the opening minutes of the game. Then we stiffened and the offense worked quite well."

Spoofhound Quarter Favorably Mentioned

Willoughby of the Maryville High School received quite a boost from the sports editor of the St. Joseph Gazette who in today's paper had the following:

"Against Savannah Friday, Willoughby was the life of his team, making important gain after gain and doing the piloting.

Willoughby, Richmond and Ash each leads his team on the field and they certainly would be a source of worry to any opponent were they in the same backfield. A "pony" trio they would be capable of more than getting past in most any college circles.

As far as lugging the oval is concerned, Ash, our own "Bull" Richmond and Willoughby of Maryville high, are on a par in shifty elusiveness. All three are of nearly the same height, have powerful limbs, are sure-footed and have better than average speed. All have the pivot well perfected, too.

Recovery Suits Filed for Freight Overcharges

Kansas City, St. Louis, Chicago, Topeka and St. Joseph Boards of Trade Take Legal Action

Kansas City, Nov. 19—Recovery suits of more than one-quarter million dollars for alleged over-charges on grain and grain products in shipment, were filed in federal court here today. Simultaneously, suits were filed in St. Louis, Chicago, Topeka and St. Joseph for a total of two million dollars.

The suits, according to A. R. Jeanneret, chairman of the transportation committee of the Kansas City board of trade, are the result of the findings of the Interstate Commerce Commission in October 1921, to the effect that rates being charged on such shipments in this territory were unreasonable.

SALVATION ARMY PLANS FOR DRIVE

TO BE FORMULATED WEDNESDAY AT CHAMBER OF COMMERCE.

TO START APPEAL NOV. 23

According to T. F. Green, a Representative—Many in Maryville Intend to Help.

Plans for the annual Salvation Army appeal in Maryville and Nodaway County will be formulated at 10 o'clock Wednesday morning at the Chamber of Commerce rooms when a number of Maryville citizens will meet.

The following have signified their intentions to help in the work and to attend the meeting Wednesday morning:

Fred French, Dr. H. S. Rowlett, F. S. King, W. A. Miller, Howard Evans, John Mutz, Gus Romasser, Fred Hull, Dr. F. S. Ryan, Ed Condon, Walter S. Todd, C. Edwin Wells, Charles F. McCaffrey, Roy Hanna, Dr. C. P. Fryer, S. H. Kemp, L. H. Brownfield, G. B. Roseberry, Mrs. Ed Curfman, Mrs. D. R. Baker, Mrs. Roy Hanna, Mrs. Chas. Remus, Mrs. A. R. Perrin and Mrs. Willard Nixson. In addition to these several others who have not yet been seen, are expected to attend this meeing.

T. F. Green of Atlanta, Ga., field representative for the Salvation Army, was in Maryville yesterday in the interest of the work. Either he or V. W. Gould of St. Louis will be here Tuesday night for a short talk before the Chamber of Commerce.

It is planned to open the appeal for funds here Thursday, according to Mr. Green. Mr. Green is a traveling salesman and gives a month of his time each year without pay to the Salvation Army. He says there are many traveling salesmen throughout the country who are doing the same thing each year. In conversation with him yesterday he stressed the point that the Salvation Army went about its relief work without many people being aware of its work and stated that this organization was now doing work in Nodaway County, even though few people knew it or ever would learn of it.

To Speak on Conditions in Korea and Japan

James McClung, father of Dr. A. J. McClung, pastor of the Westminster Presbyterian Church in St. Joseph, will speak at the Presbyterian Church at 7:30 o'clock Wednesday evening.

Mr. McClung has recently returned from Japan where he has visited his children, who are missionaries there. Wednesday night, he will talk about present-day conditions in Korea and Japan.

While in Maryville, Mr. McClung will be the guest of Dr. and Mrs. R. C. Person who were members of Dr. McClungs church in Omaha before they moved to Maryville. The Westminster Guild is planning to make the Wednesday night meeting a special service.

Funeral of R. L. Crabb to Be Held Tomorrow

Funeral services for R. L. Crabb of Darlington, Mo., who died Saturday at St. Francis Hospital, will be held at 2 o'clock tomorrow afternoon at the First Christian Church, conducted by the Rev. R. E. Snodgrass. Burial will be in Miriam cemetery. Members of Maryville Lodge, No. 165, A. F. & A. M., will attend the funeral in a body and will have charge of the service at the cemetery.

Mr. and Mrs. S. J. Donahue spent yesterday in St. Joseph.

MAITLAND CAGERS WIN CHAMPIONSHIP

AND PLACE FOUR MEN ON THE ALL-STAR TOURNAMENT TEAM.

DEFEAT HOLT 30 TO 9

Holt Is Outclassed During the Game—Conners-Ungles Offense a Deciding Factor of Game.

All-Star Teams.

First Team: Forwards, Conners and Ungles of Maitland; center, Walker of Holt; guards, Marion and Cartwright of Maitland. Conners, captain.

Second Team: Forwards, Burks, Pickering and G. Barnes, Rosendale; center, Minnick of Hardin; guards, Hewitt of Rosendale and Miller of Holt. Hewitt, captain.

The basket tossers of Maitland high school, Holt County, won the championship of the Northwest Missouri outdoor basketball tournament when they defeated Holt high school team by a score of 30 to 9 at the College gymnasium.

The final game, which was played Saturday night, was an exciting, whirlwind game and a good exhibition of basketball was demonstrated to the many spectators who witnessed the fray.

A silver loving cup was presented to Conners, captain of the winning quintet from Maitland, by W. F. Phares of the Board of Regents of the State Teachers College.

The Holt cagers were outclassed all during the game by the flashy floor work of Conners and his running mate, Ungles, of Maitland. The guards on the Maitland team completely smothered any attempt of the Holt boys at shooting from close quarters.

The first quarter started with both teams working hard to annex the first counter. Ungles of Maitland was the first to put the ball through the mesbes while Walker of Holt soon evened the count by dribbling the ball down the court after the tip-off and pocketed a basket from close range.

Maitland again counted when Ungles shot a basket from the side of the court but Isley of Holt tied the score and the quarter ended.

From this stage of the game Maitland had the advantage in floor work, but the shots of the forwards were short of the goal. In the second quarter the Maitland cagers leaped into the lead and were never overtaken. The Holt boys were forced to shoot from the center of the court while the Conners-Ungles offense counted time after time. The Holt squad never gave up the fight until the last whistle but were outplayed during the greater part of the game.

The Maitland team was a better coached, better trained and a more experienced combination than its opponent, the team work being far superior and the defense air-tight.

The game was refereed by Sam Dubin who worked the game in a fast clean manner.

The box score:

BIRTH RATE FALLS TO 48 IN OCTOBER

ACCORDING TO COUNTY HEALTH DEPARTMENT STATISTICS.

26 DEATHS REPORTED

Six Cases of Scarlet Fever During the Month—One Death Results From Diphtheria.

Deaths in Nodaway County have been increasing and births decreasing in the last three months. During the month of October forty-eight births and twenty-six deaths were reported to the Nodaway County health department. The birth rate in August was sixteen; in September twenty-two, showing a jump of ten since August and four since September. Births declined five since September and fifteen since the last summer month.

According to statistics obtained from the health department there were six cases of scarlet fever during October, an increase of two over the same month of 1922; out of three cases of diphtheria one death resulted; and there were three cases of scarletina in October; while no scarletina cases were reported in October of the previous year.

Among the educational activities conducted by the health department during the past month twenty-eight lectures were given with an attendance of 690, making the total attendance up to date 2146. Seven hundred and twenty-two bulletins were distributed, the total number being distributed, 5,021. Five newspaper articles were printed during October.

The members of the health department made twelve visits to cases, contacts and suspects for acute communicable disease control. Twelve cases were quarantined. The total number of cases quarantined up to date is sixty-one. Of laboratory examinations made there were two specimens of water for B. coli.

The health department in its sanitation work for the month of October, installed five pit type privies, the total number previously reported fifty-one. The report shows that 273 treatments were induced for correction of physical defects of school children making a total to date of 362.

In th child hygiene work by the department for the month in the infant and pre-school, fourteen babies and children were examined. In the schools 743 were examined, 679 found defective, 1321 defects found and twenty-seven home visits made.

Dr. C. P. Fryer reports among the other activities of the health department that it "has been co-operating with the local chapter of the Red Cross by doing physical examination of school children so their special nutrition worker could be better able to put on her intensive campaign. Great interest is being shown in the nutritional work and classes are held weekly in various schools."

Mission Workers are Warned by Britain

They Are Requested to Leave Germany as Soon as Possible Point Out Growing Food Menace

London, Nov. 19—On account of the seriousness of the situation in Germany ,the British government has advised all women members of the allied mission staff to leave as soon as possible, according to a Berlin dispatch today. The warning pointed out the menace from the growing scarcity of food in Germany.

CONGRESS LEADERS FAVOR REDUCTION

ARE IN SYMPATHY WITH MELLON TAX PROGRAM

BONUS WON'T SUFFER

Legislators Feel That Adjusted Compensation Bill Can Be Worked Out Satisfactorily To All

Washington, Nov. 19—Income taxes, from the highest to the lowest, will be materially reduced by the Congress that meets in two weeks, but not at the expense of the soldier bonus.

This, apparently, was the opinion of the leaders of both houses of Congress today after a week's conference following the announcement of the Mellon reduction program.

The Secretary of the Treasury, an implacable foe of the bonus, made his reduction contingent upon Congress not passing the bonus. Members of Congress, however, plan to do both—reduce taxes and pass the bonus. Most of them are committed to both actions. They promised the veterans adjusted compensation, and they promised lower taxes generally to their constituency.

Secretary Mellon proposed that income taxes be reduced generally from 30 to 40 per cent, which, when reduced to dollars, means more than 300 million.

Bonus advocates believe that it will be possible to work out a compensation bill that will cost the government about 100 million dollars in cash annually. They further believe that such a bill will be acceptable to the veterans and to the pocket of every tax-payer, whether he earns $2,000 a year or $100,000.

$2,000 Offering Last Night at Tabernacle

Large Crowds Attend Yesterday's Services—Program Tonight by Missionary Rally Team.

Yesterday was one of the really great days of the tabernacle meetings. Large crowds assembled and the spirit of the day was of the very best. The evangelist, Hamilton, gave soul-stirring messages in sermon and Arthur Hamilton was at his best in song. The great choir rendered some special selections last night to the delight of the people present. There were ten more additions at the services yesterday. The invitations last night were somewhat interrupted because of the length of the service, as time was taken to clean up the incidental expense budget. About $2,000 was raised in the offering last night. The loose collections up to last night had amounted to $2,000. There will be no more offerings now until the last day of the meeting, when a thank offering will be made the Hamiltons.

The sermon last night dealt with the much discussed topic of Christian unity. The contribution of all the denominations to Christiandom was shown and Mr. Hamilton believes that the steps taken by the church leaders of the past were absolutely necessary to bring ourselves away from the yoke of Romanism. Mr. Hamilton declared that the united church cannot ignore any of the distinguishing doctrines of th religious bodies. The Church of Christ when united will contain the fundamentals of all these bodies and that this is the very thing for which the religious movement known as the Christian Church, or Disciples had stood for all these years.

There will be services at the tabernacle tonight. The Missionary Rally team will put on the program. The speakers for this rally are among the outstanding leaders of the Christian brotherhood. It is expected that a great crowd will greet the team tonight from all over the county.

The regular evangelistic services will be continued tomorrow night. The churches are to send in the usual delegations through this week.

C. D. Allen Receives Box of Ortley Apples

C. D. Allen has received a box of Ortley apples from his daughter, Mrs. Albert F. Bolz of Lyle, Wash. Mrs. Bolz was formerly Miss Gladys Allen and she and her husband moved to Washington about two years ago. They now have a forty-acre orchard of several hundred apple trees. Mr. Allen was exhibiting a large apple, weighing nine and a quarter ounces, this afternoon. He said some of them weighed three-fourths of a pound.

Spanish Royal Party Arrives in Rome Today

Members Are Greeted by King Emanuel and Pope Pius II—Welcomed by Public Ceremony

Rome, Nov. 19—Brilliant ceremony today marked the arrival of King Alfonso of Spain, Queen Victoria, and General Rivera, head of the Madrid government, to pay a state visit to King Victor Emmanuel, and Pope Pius II.

It is expected that the visit will result in closer relations between Spain, Italy and the Vatican. The Spanish royal party first visited the Spanish embassy, later being driven to the Vatican. Alfonso was received by the Pope at a public ceremony. Later, the king was received in the Papal chambers where there was a private conference.

TEACHERS TO ST. LOUIS DEC. 5 TO 8

IS SIXTY-FIRST ANNUAL MEETING OF STATE ASSOCIATION.

MANY LOCAL EDUCATORS

Are on the Program—State Teachers College to Have Banquet, Hotel Statler, Dec. 7.

The sixty-first annual meeting of the Missouri State Teachers Association will take place in St. Louis, December 5, 6, 7 and 8. It is doubtful whether many teachers from this district will attend the meeting, except those who are on committees and on the program, due to the fact of the Northwest Missouri Teachers Association meeting held here during the fore part of October.

Of local educators who are connected with the 1923 meeting of the State Teachers Association are Uel W. Lamkin, a member of the executive committee; Miss Grace Shepherd, a member of the legislative committee; and Miss Olive DeLuce, a member of committee on teaching of fine arts in high schools.

In the department of elementary schools, the vice-chairman is Miss Mary Ford of this place. This department will have a meeting Friday afternoon, December 7, at the Central High School auditorium at which time Charles R. Gardner, director of music at the State Teachers College who will talk on "Music Appreciation in the Grades."

A. J. Cauffield, head of geography department of the local College, is on committee on curriculum for geography in senior high schools. The department of geography will meet December 7.

H. A. Foster is chairman of the department of history and government. This department meets December 6, in the Hotel Statler. Miss Blanche Dow of the State Teachers College is secretary-treasurer of the department of modern languages of the State Teachers Association. On Friday, December 7, Dr. Fred Keller will speak on "Course of Study for the Junior High School at the departmental meeting of school administration

Of the other departments at the meeting, L. L. St. Clair, principal of the Maryville high school, is vice-chairman of the department of secondary schools; Harry A. Miller of the State Teachers College is chairman of the department of reading and public speaking that will suggest a course of study in public speaking; and Miss Katheryn Franken will speak on "Future of Teacher Training Work in Missouri" to the department of teachers of education at its meeting, December 7. Dr. Fred Keller is also on the program to talk on "The Relation of Extra-Mural Work to Class Room Work" before the department of universities, colleges and junior colleges at its meeting Thursday afternoon, December 6 at the Marquette Hotel.

Notable speakers on the general programs are Governor Arthur M. Hyde, Charles A. Lee, state superintendent of schools. Dr. Herbert S. Hadley, chancellor of Washington University and Dr. Stratton D. Brooks, president of the University of Missouri.

The State Teachers College will give a luncheon at the Hotel Statler at 12:15 o'clock on Friday, December 7.

Alice Donahue spent the week end with Mr. and Mrs. W. P. Farnan at Clyde.

Miss Iva Vance of Burlington Junction is visiting her brother, C. J. Vance and Mrs. Vance.

SAYS SOLONS GOT LICENSES FOR $1

CONFUSION AGAIN BREAKS OUT IN WALTON TRIAL

CLEAN UP DEMANDED

Senator A. E. Darnell Declares Legislative Body Must Undergo Purification Process First

BULLETIN

Oklahoma City, Nov. 19—Governor J. C. Walton, arch enemy of the Ku Klux Klan, was dethroned today. The State Senate, sitting as impeachment court, after hectic trial, found him guilty of corruption of of office, incompetent and flagrant violation of constiuttional laws, in connection with pardon and parole record. Verdict automaticalyy removed Walton from office.

Oklahoma City, Nov. 19—Confusion again broke out in the Walton impeachment court today.

After M. M. Henderson, witness and former state highway commissioner, testified he issued $1 automobile licenses to legislators, an action later discovered in violation of the law, Senator A. E. Darnell bitterly attacked the court.

"I warn you that if that is true, I shall demand some members of this court withdraw and we proceed with the members whose records are clean," Darnell said. "The people will have more confidence in this court if we clean up our own body before investigating anybody else."

Senator W. M. Gulager, who is said to have accepted a $1 automobile license, immediately demanded the right to "explain the dirty insinuation against him." Both House and Senate members declared on the floor today that both bodies have some clean up work to do. This, it was said, would be disposed of when the Walton trial was completed.

Insinuations came thick and fast across the courtroom. Republican members challenged the court to name any members of their party who got licenses for $1. Senator Harris Jones flayed the court and some of the members. A flow of oratory, in which the impeachment trial was forgotten, lasted for over one hour.

Debating Club Has Best Scholastic Grades

The members of the Debating Club at the Maryville High School have the highest scholastic standings of any organization in the High School. This decision was reached after Loren Schnabel, director of the High School orchestra, had issued a statement in the form of a challenge that the members of the orchestra had the highest average grades.

Burdette Yeo, president of the Debating Club accepted the challenge for the club. Upon investigating the grades of the members of each organization that out of the fifteen members of the Debating Club, one member is making four E's, three debaters three E's and another one E. The entire club has an average of S plus or 92.7, while the orchestra has a scholastic standing of S minus for 70 per cent of the membership, the remainder slightly lower.

California Land Act Bars Aliens From Land

Aliens, Not Eligible to Citizenship, Cannot Own Stock in Landed Corporations, Court Decides.

Washington, Nov. 19.—The United States supreme court decided today that the California Alien Land Act, which last week was held constitutional by the court, prohibited cropping contracts made between Japanese and California land owners.

In another ruling, clarifying its decision in regard to the validity of the California law, the court held that the ownership of a share of stock in a California land corporation constituted an interest in real property, thus making such ownership illegal under its decision of last Monday which barred aliens, not eligible to citizenship, from owning farm land in the state of California.

TO DROP RAILROAD CONSOLIDATIONS

President Coolidge is said to have decided to drop former President Harding's project to compel the railroads to consolidate into regional groups. It aroused bitter opposition both from the railroads and the people of the middle west. The better railroads do not want to be compelled to carry the weaker ones and the people do not believe it will lessen their problems any to enlarge the systems and eliminate what little competition there is left.

We used to howl a great deal about trust domination before the war but there never was a time in the history of this country when manufacturers and big business generally so completely controlled the situation as they do now. Every retailer knows this. He has to take what he can get, where and when he can get it and at the price offered. His former boasted ability as a "good buyer" is just about useless.

People generally do not believe it advisable to enlarge this condition and hope that some day in some way the tie that binds industries into such complete concord of action will be broken. The railroads generally are doing well and about all they want is to be let alone, realizing that it is safer to let well enough alone. Mr. Coolidge probably knows that enough troubles will be forced upon him during the next six months without starting any additional buz saws of his own. Under the present law, railroads are permitted to merge when they desire but are not compelled to do so.

The man who is wrong at the right time and right at the wrong time is certainly out of luck.

Really great men are generally modest because they are big enough to realize how little they are.

One trouble with the fishing now days is that everybody is trying to catch fish too big for his hooks.

This country is a great melting pot and the great difficulty is to keep too much cheap alloy from crowding in. Immigration must be restricted with that end in view. It doesn't help much to scramble eggs if there is a bad one in the lot.

England is going to have an election this fall and is already plunging into a heated campaign. In England they have elections only when they can't be avoided. In this country, we have at stated periods whether any body wants them or not. In France whenever complaint and criticism begin to get troublesome, the administration asks its congress for a vote of thanks which, if it don't wait too long, it always gets and that makes another election unnecessary.

Now that former Governor Gardner has definitely decided not to enter the race for Governor, the whole bunch of announced candidates will feel easier. There is no doubt he could have had the democratic nomination and have been elected had he desired but, having been governor, he does not care for another term and sees no emergency that demands it. The dome of the big capitol at Washington looks more attractive than the state house at Jefferson City and there are thousands of friends throughout the state who will gladly help send him to Washington if they can. Missouri is as much entitled to presidential consideration as [illegible] It is a great big, pivotal state, importantly located, and it is not any longer a "safe state" for either party. If all Missouri democrats put their shoulders to the wheel, Governor Gardner is as likely to get the nomination as any of them.

Miss Thelma Garrett returned home Saturday noon after visiting a week in St. Joseph at the home of Mr. and Mrs. Chance Evans, and Miss Nellie Trullinger.

Plans for Maryville Club Ready Soon

Today's St. Joseph Gazette had the following about the plans for the club house of the Maryville Country Club:

Siemens & Arnhold, architects, who were recently awarded the contract for plans for the country club at Maryville, expect to complete the plans soon, and it is expected that the construction of the building will be started at least by the first of the year.

The new country club at Maryville will be located a mile and a half west of Maryville, adjacent to the golf course which has been established. The club house is to be frame, and colonial in type. The plans call for a one-story building, with finished basement, 58 by 78 feet in size. There is to be a large lounging room and ballroom, 30 by 50 feet, and there will be a fourteen foot porch on three sides of the building. One side porch will be used as a dining room and will be enclosed with glass. The first floor will also include the office, cigar stand, the women's cloak room, lockers and showers.

In the basement will be the tap room and the men's locker room, showers and toilets. The locker room will make provision for 200. In the basement will also be the furnace and fuel and storage rooms.

MISSOURI COUNTY FREE OF FAKE ROAD BOND DEBT

Butler, Mo., Nov. 17—Bates county is free from all railroad indebtedness today. The last of the old railroad bonds have been paid in full. The debt has been hanging over the county since the close of the Civil war.

October 3, 1870 a proposition was submitted to the voters of the Mt. Pleasant township in which Butler county is located, to vote $90,000 in bonds for the construction of the Lexington & Gulf railroad and the proposition carried. At the November term of county court in 1870 ninety bonds of $1,000 each were issued. Thirty were to be paid in ten years, thirty in fifteen years and the remaining thirty in thirty years. All called for 10 per cent interest.

The railroad was graded and bonds sold. When the grade was completed the money was exhausted and the work stopped. Nothing more was done toward construction and the company abandoned the project. Consequently the county court refused to pay the bonds, but a court suit was decided in favor of the bond holders.

A bond issue voted at a special election in 1885 to provide for the securities carried and the debt which reached the sum of $90,000 was liquitated only recently.

During the Civil War, the upper floors of the University of Missouri were used as a Confederate prison and the cupalo, commanding a view of all roads was used as a watch tower.

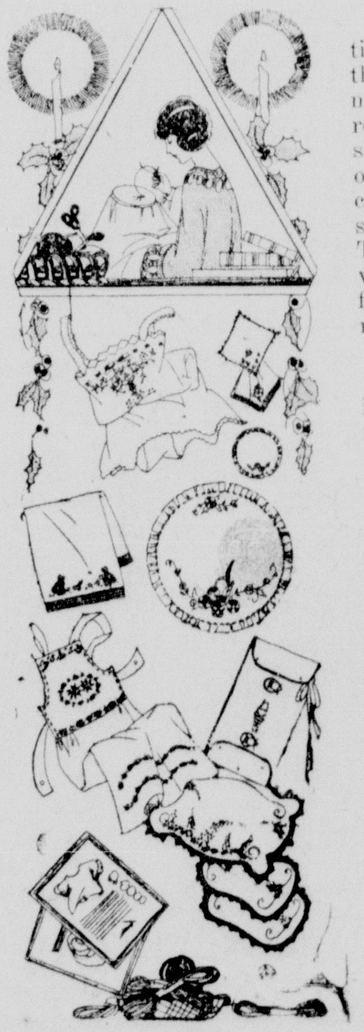
Art Needle Craft Days

Tuesday and Wednesday

Tuesday and Wednesday have been designated as Art Needle-Craft Days in this "The Christmas Store."



In order that you may have ample time to complete gift things and put that little touch of handwork on that means so much to the friend that is to receive it, we have planned a special showing of stamped pieces, package outfits and threads before we are compelled to give over a part of this space to other Christmas Gift things. This gives you double advantage—we can display to a better advantage for you, and you get them at just the right time and at a special price.

For this TWO DAYS ONLY, special prices will prevail on stamped needlework and package outfits.

Children's dresses, tea aprons, gowns, teddy suits, dresser scarfs, dresser sets, table runners, pillow cases, fancy pillows, bed sets, silverware cases, table linen cases, card table covers, luncheon sets, table centers, buffet scarfs, buffet sets, doilies, towels, and many other items, stamped on fine quality material ready for working.

Bear Brand Yarns in Saxony, Germantown Zephyr and Knitting Worsted. Belding Silk Floss in rope, or fine floss, Bucilla floss and threads of various kinds. Colors to meet any demand.

Special groups of stamped pieces and package outfits arranged at 32c, 69c, 89c, $1.19, $1.89.

All other stamped pieces at special prices during Needle-Craft Days.

Japanese luncheon cloths.....$1.89
Set of six Japanese Napkins.....$1.89
Handkerchief Linen squares in white and colors, for embroidering and attaching fancy edge, at.....3 for 49c

Buy your Art Needlework now while the assortments are complete.

See Window Display—Through the courtesy of Mrs. W. O. Garrett and Mrs. Anna Snyder, we are enabled to show a number of finished pieces. We also have some finished models that were secured from the manufacturer.

Table Showing How Proposed Cut Would Affect Taxable Incomes

Washington, November 19—The extent to which the federal income taxes paid on earned incomes up to $25,000 would be reduced under the program for general tax reductions advocated by Secretary Mellon is shown in the table here presented. Conquering Time

THE WORTH of a man is measured by his usefulness.

When many men are grouped to perform a common task for the common good they become an institution.

The same measuring rod applies to the institution as to the individual.

The Standard Oil Company (Indiana) is an institution—a big institution.

It is big in size because it renders a big service.

Perhaps there is no phase of Standard Oil Company (Indiana) service which is more significant or more far-reaching in its benefits to man than the means it furnishes for the conservation of time.

It enables men to do the work of the world easier and in fewer hours.

It speeds up every phase of industry.

The manufacturer can produce more merchandise because Standard Oil products enable him to run his machinery at higher speed.

The farmer can cultivate more land and raise greater crops because Standard Oil products enable him to use power-driven farm machinery.

The doctor can see more patients because Standard Oil products have enabled him to substitute the automobile for the horse.

The salesman can display his wares to twice as many buyers by utilizing Standard Oil products and the automobile.

Standard Oil Company (Indiana) service lengthens man's three score and ten by increasing his capacity for accomplishment.

The Standard Oil Company (Indiana) is proud of the part it has taken in furnishing the means for men to annihilate time and distance through controlled and directed effort.

It is proud of the fact that it has been able to benefit so many industries by taking so many products, varied and useful, from the single base—crude petroleum.

The Standard Oil Company (Indiana) is proud of the leadership it has earned in the petroleum industry.

It is proud of its organization of 27,000 men and women through whose loyal, earnest efforts it is able to render such a superior service as to have earned the respect and confidence of the thirty million people of the Middle West.

Motorists are Willing to Pay for Good Roads

What a Car Owner Thinks of the Value of Good Highways.

If the figures could be made showing the cost of poor roads to the automobile owners of the state, a great hue and cry would be raised to speed up the road program. In the course of business few figure the cost that poor roads mean to them.

Recently a motorist was encountered who kept accurate records of his automobile expenses. He said:

"I started it when I got my car and never left off. The speedometer keeps running along—don't have to pay any attntion to that except the first day of the month when I put down the total, figure my mileage for the month and then the mile cost.

"I can tell you to a cent what it costs to run this little coupe and my big car, too. It's easy to figure, once you've got the habit of putting down the items. I know how many miles from this set and that and how many from a gallon of this or the other gas. And it saved me some money.

"But even more interesting and important is the line I get on the roads. If every car owner would keep track and watch the roads getting better and better and his car expenses dropping lower and lower, we'd hurry up the road building hereabouts. I've found out to my own satisfaction that it takes nearly twice as much gas on an old-time muddy road as on those which have been built up, the increased expense on tires is still greater, and your rattle and bang your car to pieces twice as fast.

"You'll never hear one of us fellows who keep track of costs kicking about paying toward better roads—we can't get 'em fast enough."

Paper Has Picture From Croy's Novel

The Rotogravure section of yesterday's St. Louis Post-Dispatch contained a picture of one of the scenes from "West of the Water Tower," Homer Croy's greatest novel. The picture is a street scene in "Junction City" which, in reality, is Maryville.

The film production of "West of the Water Tower" will be released about January 1, according to recent information.

Interesting News Notes Over Missouri

St. Louis, Nov. 17—A "sight unseen" package sold at the annual auction sale of unclaimed packages at an express company's warehouse, today is resting on the bottom of the Mississippi river, while at least half a dozen men are vowing never to leap again without looking.

Paul Murdock, proprietor of a salvage store, glued his eyes to the package, which looked as if it might contain a peck of diamonds, when John S. Conerey, auctioneer, held it up.

After some spirited bidding, Murdock got the "sight unseen" package, and elbowed his way to a desk to open it, and to see what he drew.

He took one look at the contents, and then gingerly carried the package back to Conerey.

"Take this stuff, and I don't want my money back," he gushed, and faded from view. In fact a galloping gazelle might not have shown as much speed.

The amazed auctioneer took a squint at the contents and then very gingerly set the box down and evacuated the spot. His action being contageous, the spectators did likewise.

A patrolman responded to the alarm sniffed the package a bit, and then heroically carried it to headquarters.

"What's this stuff?" the police captain asked when the package was tenderly shoved across his desk.

But the patrolman already was outside.

The captain took a look, paled and then decided he had pressing business elsewhere.

The package had complete possession of the room, while a police conference was held outside.

Then several detectives carried it out tenderly. A police car driven more carefully and slower than ever before, carried the detectives to the Mississippi river bride.

There was a splash in the water as the river closed over the package, and four officers heaved sighs of relief.

The river continued to murmur on, entirely undisturbed by the fact that a box containing several sticks of dynamite and a hand grenade had been passed to it.

News From Over The County

Hopkins Journal

John E. Anderson and wife and son-in-law, L. S. Blake and wife, had quite a thrilling experience recently while driving after night near Shenandoah, Iowa. They met a car with unusually bright lights that blinded the driver of the Anderson car and in turning to give the approaching car its part of the road, turned too far, the Anderson car plunging into a deep ditch. Luckily none of the occupants were injured aside from slight bruises, but the car was badly wrecked, the top and windshield being demonished and other parts of the car injured.

I. P. Carmichael, through the agency of W. E. Orme, last week bought from O. H. Sayler the property occupied by the Pearl Gray feed barn. He will use the building on the east side of the lots as a garage until he can build a more suitable one, and Mr. Gray will have possession of the barn until spring. Price paid $2700.

Wm. Jeffers has bought lots in Maryville and expects to build on same in the spring, meaning, we fear, that Hopkins is the lose one of its good families.

Sneak thieves entered the garage of Andrews & Abbey Tuesday night, gaining entrance through a rear window. All that has so far been missed is parts to the value of seventy-five dollars from the radio, indicating that it may be local talent needing repairs for their outfit. But who?

Through the agency of Frank Melick, Grant Brown, the south side farmer, last week bought the Dr. W. N. Henson property in east Hopkins the consideration being $1900. Mr. Brown expects to turn the farm over to his son and move to Hopkins and Dr. Henson and wife think of going to California.

Conception Courier

Mrs. Myrtle Wegener, of Des Moines Ia., and Mr. E. E. Bond of this city, were married at the home of the groom's brother, William Bond, at Grant City, last Thursday, Nov. 8, by Rev. Olson, patsor of the M. E. Church. After the marriage ceremony Mr. and Mrs. Bond went to Sheridan, where they made a short visit at the home of his mother, then came to Conception Junction for a few days' visit at the home of his daughter, Mrs. R. Lee Stowell and family. Mr. and Mrs. Bond will make their home in Des Moines, Ia.

Guilford Times

On Tuesday evening preliminary steps were taken to organize a basketball team to be known as the Guilford town team. They met at the home of W. F. Davies, Prof. H. M. Kissinger was selected leader. The following boys were slated: Floyd Hannah, Ernie McKee, Earl Brittain, W. L. Wilson, Frank Ham, Homer Ellis, Jas. Wray, Hobart Bledsoe and Harold Hailey.

Mrs. Carrie Wilson went to Maryville Monday to visit with Mrs. N. C. Covey of Pueblo, Colo., who is at present visiting at the home of her mother in Maryville. Mr. Covey is now in California and is intending locating in Los Angeles by spring. Mrs. Wilson returned home Tuesday.

The ladies of the M. E. Church, South, will hold their annual bazaar and serve turkey dinner and supper in the basment of the church, Thanksgiving Day.

A. McClintock returned Saturday from his trip to New York and Montreal, Canada.

"How do you keep your clothes nice so long?"

Some of your friends seem to get months more of service out of clothing than you, and their garments look fresher and better all the time.

Perhaps you've thought more expensive clothing made the difference. More likely it is because your friends have cultivated the dry cleaning habit.

Modern dry cleaning methods enable us to do more than keep your clothes spick and span. They make it possible for us to remove the embedded grit and so prolong the life of garments.

That is why you'll find that regular dry cleaning not only keeps your clothing looking better, but actually reduces the cost of being well dressed.

Today is a good time to start saving money. Let our delivery car call.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

You can turn gray, faded hair beautifully dark and lustrous almost over night if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, say well-known druggists here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

You can be free from Eczema!

WEIRD, creeping, annoying sensations — scratch — scratch — scratch—eczema and other skin eruptions, spoiling your complexion—causing you uncalled for embarrassment—anguish—ruling your temper. All because of impurities that are rampant in your system—because your red blood cells are dormant.

S. S. S. clears up skin eruptions through its power of cleansing the blood. Herbs and barks, carefully selected and scientifically prepared and proportioned, which make up the ingredients in S. S. S. are the most feared and dreaded enemies of skin disorders. Eczema, pimples, boils, blackheads and other skin diseases pack up and leave the system when S. S. S. sends new rich blood coursing through your veins.

Have a general house cleaning for your system. Let S. S. S. rid you of those impurities which tend to keep you in a run-down condition. Skin disorders are nothing more than billboards announcing that the system is "off color." S. S. S. is sold by the leading drug stores. The large size bottle is the more economical.

Alleged St. Louis Gangster Is Dying

Following Attempted Hold-Up Last Night of Restaurant in Marion, Ill.—Owner's Condition Serious

Marion, Ill., Nov. 19—W. S. Doering, a St. Louis gangster, sentenced to forty years in the federal penitentiary for his part in a two million dollar mail robbery and released on a $90,000 appeal bond, today was dying in a hospital, and Charles Burger was in a critical condition as the result of a shooting last night in Burger's restaurant. The shooting occurred, following an attempted hold-up of the restaurant.

Series of 3 Debates Start at High School

The first of a series of three debates will be held at the High School tonight for the purpose of determining what combination of debaters is best suited to represent the High School in debating this year. The four girls who will debate are Laura Margaret Raines, Esther Roseberry, affirmative team; and Kathryn Keplar and Edwyna Forsyth, negative team.

These girls will debate three times paired differently to find out the best combination for the negative and affirmative teams. They are the students chosen in the preliminary debates held two weeks ago.

Women Want Ford as Presidential Candidate

Coolidge is Favorite Among Republican Candidates—Poll Being Taken by "Good Housekeeping" Magazine

In the poll to show women's choice for President now being conducted by Good Housekeeping Magazine along million and a half members of the General Federation of Women's Clubs, Henry Ford leads the Democrats in the first week's returns.

9,688 ballots have been returned to date, showing the following preferences:

President Coolidge	5788
Ford	704
McAdoo	630
Underwood	583
Hughes	468
Wilson	462
Hoover	412
Pinchot	165
Borah	127
Johnson	120
LaFollette	106
Lowden	48

In view of the fact that the coming Presidential election will be the second since the granting of woman suffrage, the effect of the woman voter should have a genuine impression upon the final results. It is in order to make women's influence for progressive polities felt even before the choice of the candidates, that Good Housekeeping is undertaking this preference poll.

James O'Neal Dies While Rowing Boat

Death Probably Caused by Apoplexy—Funeral Will Be Held at 2:30 o'Clock Tomorrow Afternoon

James O'Neal of Quitman died suddenly about 11 o'clock yesterday morning while rowing a boat up the Nodaway river. In the boat with him was S. P. Jones and standing on the bank nearby was Dan Woods, both of Quitman. He suddenly lurched forward and was dead by the time Mr. Jones rowed the boat to shore. Death is thought to have been caused by apoplexy. Funeral services will be held at 2:30 o'clock tomorrow afternoon at the home, conducted by the Rev. E. P. Taggart of the Christian Church at Burlington Junction. Burial will be in the Quitman cemetery.

Mr. O'Neal wa sborn July 1, 1861, in Danville, Ill. He located in Nodaway county thirty-five years ago and had resided in and near Maryville since then with the exception of eight years spent in Topeka, Kan. He was a carpenter and cabinet maker for many years. Surviving are five sons, Lon, Tom, Will and Harrison O'Neal, all of Topeka, Kan., and Joshua O'Neal of California, and one daughter, living in Topeka. Mr. O'Neal went to Quitman from Maryville only this fall to follow his trade.

Insurance Official Testifies Before Judge oJhn I. Williamson as to Calculating Methods Used.

Kansas City, Nov. 19.—Hearing on the order of Ben C. Hyde, state superintendent of insurance, that insurance rates in Missouri be reduced 10 per cent began here today before Judge John I. Williamson, referee.

R. G. Chapman, an insurance official of St. Louis, was the only witness to testify before noon, when the hearing adjourned until 1:30 o'clock. He testified in detail as to the methods of calculation which should be used as compared to the methods which are used by insurance companies in figuring rates.

Missouri insurance companies objected strenuously when Hyde issued orders several months ago and filed a petition in review in circuit court to enable the appointment of the referee with jurisdiction throughout the state.

Rev. Cooper Speaks to High School Students

The Rev. Joseph Cooper gave a short talk to the High School students this morning at the close of the program given by the beginning senior class in observance of Education Week.

The theme of his talk was that in order to realize a maximum appreciation literature, science and history in late years a proper foundation must be built during the early years of a persons education. He said that the high school age is the time when this foundation should be made.

$718.80 Collected in Red Cross Campaign

The total collections handed into the Red Cross office for the Roll Call drive in Maryville Saturday night was $718.80. Reports have not come in from Polk township outside of Maryville or other towns in the county. The amount collected in Maryville for the first three days of the campaign which will close November 29, is greater than that of last year.

Mrs. Blaine Archer has not finished the clean up work in the city and there are a few streets yet to be canvassed. It is not known how the campaign is progressing in other parts of the county but some of the township chairman have sent into the Red Cross office for more supplies.

Bellows Shorthorns Sell at $250 Average

The average price of the pure bred Shorthorn bulls and cows that were sold at the Bellows Bros. sale at Parkdale Farm Saturday afternoon was between $250 and $260. Fifty-six head were auctioned off, all that were catalogued for the sale.

The top price of the sale was a bull that brought $700.

Mr. and Mrs. Evans at M. E. Church Dedication

Mr. and Mrs. L. H. Evans attended the dedication of the new Methodist Church at Clearmont yesterday. The occasion was of more than unusual interest to them as this was a third dedicatory service of the Methodist Church at Clearmont which they had attended. The church affiliatio nof Mr. and Mrs. Evans was formerly with the Clearmont church and they both were identified with church activities. Among other Maryville persons who attended the dedication were Mr. and Mrs. C. A. McCoppin, Mrs. J. M. Smith and Dr. C. C. James.

RAILROAD PROPERTY IS GREATLY OVER-VALUED

Clyde M. Reed, Chairman of Kansas Utilities Commission, Says at Grain Rate Hearing Today

Kansas City, Nov. 19—Western grain shippers are suffering heavily through the over-valuation of railroad property, according to figures presented by Clyde M. Reed, chairman of the Kansas public utilities commission, before the Interstate Commerce Commission hearing on freight rates here today.

An annual excess of $69,200,000 comes out of the pockets of Western farmers and grain shippers, according to the figures given the commission by Reed.

The head of the Kansas utilities commission took the stand today to present final arguments for the reduction of rates on grain and grain products. Reed was preceded by John E. Worsley, chief engineer of the Kansas commission, who presented an exhibit to show the difference of the court valuation and the valuation used by the Interstate Commerce Commission. The figures dealt with 150 railroads in the western group.

Miss Hill to Give a Food Demonstration

Miss Opal Hill, a student in demonstration cooking in home economics at the college, will give a series of demonstrations before Miss Mildred Smith's nutrition class at Skidmore Friday. The demonstration will deal with the food value of milk. Miss Hill takes as her basis the following ten reasons why milk is the best food and how she develops her dishes around them:

1. Strengthen the body to resist disease.
2. Milk contains lime which helps build healthy teeth.
3. Helps keep the digestive tract in proper condition.
4. Contains the vitamins needed for growth and health.
5. Supplies the fuel the body needs to perform its work.
6. Helps repair the wear and tear of the body.
7. Builds strong bones.
8. Prevents malnutrition among children.
9. Gives proper balance to diet.
10. Gives more food value for less than any other cost.

The dishes that Miss Hill will prepare from milk are: Cooked cheese as cheese balls; uncooked cheese combined with onions and a few other ingredients to be used as a stuffing of pimentoes, sweet butter for sandwiches; buttermilk, whey, sweet and sour milk constitute the beverages.

$6,000 Is Raised at M. E. Church Dedication

Doctor James Gives Sermon at Afternoon Services—New Church Valued at $12,000

Six thousand dollars was raised at the services held yesterday at the dedication of the remodeled Methodist Episcopal Church at Clearmont. The Rev. Dr. C. C. James, pastor of the Maryville First M. E. Church delivered a sermon at the afternoon services, his theme being "God Breaking Out Into Glory."

The Rev. Dr. W. F. Burris of St. Joseph, superintendent of the St. Joseph district, gave the sermon at the morning service. Doctor Burris also had charge of the raising of the funds for paying for the repairs on the church building. The Rev. F. J. Smith of Oregon spoke at the evening service. An orchestra was a special feature of the programs.

The Methodist Episcopal Church property at Clearmont is now valued at $12,000. The remodeling of the church cost approximately $8,000. The building has been raised, a basement put in and a fifteen foot wing added to the main building. The pastor, the Rev. E. R. Ingram, a former architect, helped in drawing up the plans for the remodeled building.

Two former pastors of the Clearmont Church were present at the dedication services: The Rev. W. F. Wiley of Elmo, and the Rev. W. G. Francisco of Graham. The Rev. E. N. Garrett of Burlington Junction and the Rev. George DeWitt of Parnell were also in attendance.

This is the third time that the Methodist Episcopal Church at Clearmont has been dedicated on the same corner that it is now located. Doctor James laid the corner stone for the present building early this fall.

Mr. and Mrs. C. A. McCoppin, Mr. and Mrs. H. E. Wright and Mrs. C. C. James of Maryville were at the dedication services. A basket dinner was held at the church at noon.

THE PICKING OF THE ALL-STAR SELECTION

The players picked for the All-Northwest Missouri outdoor tournament team by newspaper decision was a hard task with such a number of players of the same caliber.

If a single team, that would work in a machine-like fashion, was to be chosen it is without a doubt that the quintet would be composed of the five players of the Maitland squad. The team work was excellent and a perfect balanced squad was to be found. This, however, would not be quite fair to the other teams who fought well or to the teams who had one individual star who carried the entire fight for his team.

It was for this reason that two teams were chosen to include some of the individual stars.

In the forward section Conners, Ungles and Burks were the best material witnessed in the tourney. Conners headed the list with his passing and dribbling abilities, a feature of the playing of the Maitland team. Burks was also a fast man, but Ungles was about equal in this respect with perhaps a keener eye for the basket. This left Burks as first choice for a forward position on the second team.

At center Walker of Holt was considered the best in the tournament and was equally adapted to offensive or defensive playing.

The choice at guards went to Marion and Warner of Maitland. Both of these men covered their opposing forwards well, hardly ever permitting a man to slip behind them for an open shot.

On the second team Barnes was chosen as a running mate to Burks because of his accurate goal shooting and fast work on all sections of the court.

Minnick of Hardin was chosen for the pivot position after some consideration. The big center of the Hardin squad was the key to the Hardin team, and, while unexperienced, played clever ball.

Hewitt was given the position of running guard because of his untiring playing and aggressive spirit. The Rosendale quintet was built around Hewitt and his fast offensive playing kept the opposing teams constantly on the alert. Miller of Holt was given the stationary guard berth. Next to the Maitland guards he showed up superior to any of the guards in the tournament.

Miss Eva Vaughn Lawson went to Ravenwood Saturday to spend the week end with her parents, Mr. and Mrs. E. D. Lawson.

Mr. and Mrs. Orme Crider of Maitland visited in Maryville Saturday.

Ed Lawler of Sheridan was a Maryville visitor Saturday.
